

# Abubakar Mashud

Behind central mosque Ejegbo, Ankpa, kogi state

09067437803 / 09019927707 |

mashudabubakar2020@gmail.com

## Objective

I seek challenging opportunities where I can fully use my skills for the success of my clients and organizations

## Experience

- Full stack developer 2019 -  
With experience in both frontend and backend development, I can create a superb online presence for businesses, blogs, and more. Using the latest technologies like React.js, Express.js, MUI, and Bootstrap, I can create a landscape of online possibilities that are visually appealing and user-friendly.
- Rose Asase Schools 2019 - 2021  
Mathematics Teacher
